Whether you just got a shiny new Slow Cooker or you consider yourself a veteran chef, this Slow Cooker Recipes book will give you 33 delicious and unique meals to impress your friends or enjoy with the family! This is a great book if you want some easy, but tasty meals for entertaining a few guests or hosting a dinner party. The Slow Cooker, or Crock Pot, is a traditional American cooking appliance that allows the cooker to simmer meals at a low temperature for long periods of time. The slow cooker produces fall off the bone meat and juicy, delectable vegetables. Because the food is cooked at a low temperature, it is very hard to overcook or burn the ingredients. The meals selected for this recipe book are some of the tastiest regional specialities from different parts of the United States, giving you some truly authentic recipes that would even impress Emeril. This book will ensure you become real familiar with your Crock Pot as you walk through...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
