Tubeway Daze: The Untold Story of Tubeway Army

By Paul Goodwin

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Before Gary Numan there was Tubeway Army, and before Tubeway Army there was Gary Webb, a determined and ambitious 16 year old singer/songwriter from West London, who in the punk-assaulted summer of 1976, dispensed with full time education to pursue his long held dream of fame and stardom. To assist him in this quest came talented bassist, Paul Gardiner with whom Gary first founded Tubeway Army. Together with Gary's uncle, drummer Gerald Lidyard, they gigged sporadically around central London as the band eventually drew the attention of a small independent record label, Beggars Banquet. No-one could have predicted back then that in just a few short months, music history was about to be made as Gary Numan and Tubeway Army burst onto the music scene in the early summer of 1979 with the futuristic anthem Are Friends Electric? , a song that ushered in a fresh and exciting new era in popular music.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Lorena Streich

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.

-- Amanda Gleichner
