## ELLIOTT CARTER

University of Illinois Press. Paperback. Book Condition: new. BRAND NEW, Elliott Carter, James Wierzbicki, This compact study provides a fresh perspective on one of the most significant American composers of the twentieth and twenty-first centuries. A leading voice of the American classical music tradition, Elliott Carter was initially encouraged to become a composer by Charles Ives, and he went on to learn from Walter Piston at Harvard University and Nadia Boulanger in Paris. Drawing on Carter's voluminous writings and compositions, James Wierzbicki provides a clear discussion of Carter's evolving understanding of musical time and the influence of film on his work. Celebrating his 100th birthday in 2008 by premiering a number of new compositions, Carter has been a powerful presence on the American new music scene, an important connection to American music's foundational figures, and a dynamic force in its continuing evolution.
