*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Figure 5: Percentage of Job Corps Career Training Slots in Program Year 2006, by Industry Area Construction Information technology Automotive Machine repair 5 5 Other 7 32 Advanced manufacturing 8 Hospitality 8 19 Health care 16 Business and finance Source: Department of Labor data. The high-growth, high-demand industry areas include many specific occupations for which Job Corps students can receive training. For example, among the career training offered by some centers in the construction industry are bricklaying, carpentry, cement masonry, electrical, facilities maintenance, painting, plastering, and plumbing. Within the health care industry, some centers provide career training in dental assistance, medical assistance, nursing assistance, and pharmacy technician. ( See app. II for a list of career training offerings available within the industry areas for program year 2007. ) Most centers offer a range of career training choices, but some centers have more limited choices. For example, among the centers we visited, the number of career training offerings ranged from as many as 14 at 1 center to 3 at another center ( see table 1 ).
