Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

Excerpt: .the Weizmann Institute and would be related to the desalination research of the United States Department of the Interior. The results of this study should be of value to both the United States and Israel. Our Embassy at Tel Aviv has forwarded to us a brief outline of a desalting research project which the Israelis propose undertaking. This project, as outlined, is concerned with the electrodialysis process for desalting brackish waters in arid areas of Israel. In line with n previous understanding we had with the Office of Saline Water, Department of the Interior, we sent this outline over to that Office for its advice and comments. The grant-in-aid for the project has not yet been made by our Embassy; after we receive the Department of the Interior s comments as to the merits of the proposed project we will advise our Embassy accordingly. If you have any further questions with respect to this project please do not hesitate to ask them. Sincerely yours, William B. Macombeb, Jr., Assistant Secretary.
