

Mountain Bike Like a Champion: Master the Techniques to Tackle the Toughest Terrain

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

RODALE PRESS, United States, 1999. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. Master the techniques of America s greatest rider with Mountain Bike Like a Champion. * Glide over rocks, logs, and ledges * Attack steep climbs and rapid descents * Carve through curves and turns * Train smart, then ride to winImprove your performance with these tips, techniques, and off-road tales from mountain biking legend Ned Overend. At the 1990 world championships in Durango, Colorado, Thomas Frischknecht and I were locked in a dogfight. At the start of the fourth and final lap was a pitch of rocky, loose trail that went straight up the face of a ski run. My Swiss rival had been dismounting and running this climb while I stayed on my bike. On previous laps, I d opened a little gap, so I knew this would be my chance. I attacked when Thomas got off again. He never caught me. To ride that steep trail, I had to use five climbing techniques. There s no reason why you can t make them part of your arsenal, too.
