Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Why Children s Poetry? Some of the poetry contained within this collection was directly inspired by the works of A. A. Milne and Spike Milligan; others just came unbidden. When writing children s poetry I am often in a mode of silliness, crazy mind pictures, the absurd or the down right ridiculous. I like the freeness of writing something that is not going to have a critique done to analyse the hidden meaning etc. behind the text. This poetry is unpretentious, it s straightforward, it celebrates the innocent time that we laughingly call nowadays, Childhood. It is my belief that children in the twenty-first century are being very quickly, neatly and expertly robbed of the nativity and childhood carelessness, by school, TV and computer games. Long live our children s childhood time, may it be protected, their little imaginations nurtured and their innocence kept intact until the day when nature picks its own perfect timing to turn a child into an adult.
