CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 272 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. 13-year old Yin Stryker gets the shock of his life when he starts receiving text messages from the future. Yin must use these time-traveling texts to stop a global holocaust. That's the basic premise of THE FUTURE IS CALLING, PART 2: INFERNO RISING, the action-packed sequel to THE FUTURE IS CALLING, PART 1: THE FOUNTAIN OF DEATH. Yin Stryker's life is pretty crazy. He and his twin sister, Yang, are 13-year old black belt ninjas who live and train with their 62-year old Granny sensei. They've won countless ninja contests and they've traveled the world with their celebrity grandmother (who is a famous war hero). But Yin's life takes a fantastic turn when, after getting a new phone on his birthday, he starts receiving mysterious texts from the future forecasting terrible events. When Yin receives a text at 3:00am warning him the Governor of California is about to be assassinated, he thinks it's a sick joke. He turns the phone off, goes back to bed, and does his best to forget it. But when he goes to school the next day, he's shocked when a teacher informs him the Governor has just been shot. Yin immediately turns his phone back on and begins a correspondence that thrusts him and his family into an adventure that seems to defy the laws of physics. A Phantom from the future is trying to stop a terrorist attack that, if allowed to commence, will turn Earth into a barren wasteland. Yin and his family must use information provided by The Phantom to thwart the attack. If they fail, millions will perish. The technology behind the time-traveling texts is based on real...
