

Handbook of Early Intervention for Autism Spectrum Disorders

By Tarbox, Jonathan / Dixon, Dennis R.

Book Condition: New. Publisher/Verlag: Springer, Berlin | Research, Policy, and Practice | Addressing many of the controversial questions on diagnosis and treatment facing clinicians who deal with ASD, this book explores a wealth of much-debated topics including the very latest evidence-based research on early intensive behavioral intervention. | Current rates of autism diagnoses have been cause for concern and research as well as rumor and misinformation. Important questions surround the condition: how early can an accurate diagnosis be made? At what age should intervention start? How can parents recognize warning signs? And what causes autism in the first place? There are no easy answers, but the Handbook of Early Intervention for Autism Spectrum Disorders gives researchers, practitioners, and academics the science and guidance to better understand and intervene. Background chapters survey the history of professional understanding of the disorders and the ongoing debate over autism as a single entity or a continuum. Chapters on best methods in screening, assessment, and diagnosis reflect the transition between the DSM-V and older diagnostic criteria. And at the heart of the book, the intervention section ranges from evidence-based strategies for developing core skills to ethical concerns, cultural considerations, and controversial treatments. Included in the...
