They were dreadfully wrong to think they were hunting a large but normal bear. Dennon tried to stand but his legs shook with the effort and he fell back to sit on a fallen log, too weak to fight or flee. He became aware that Kazi was moving and wanted to tell his son to run, escape, and hide; then a calm feeling overcame him as he watched death approach on four paws. He sat resigned and helpless. Kazi, he said weakly. Kazi Boku chronicles the epic adventures of a young man unknowingly charged by The Laws of the Universe to correct the disharmony of evolution created by Tyrus Hammerstaid, The High Seer of the Temple of Kaal. Kazi barely survives the seemingly random attacks of mercenaries and crystal-enhanced animals that destroy his friends, village, and family. As he tries to recover from horrendous losses and attempts to lead a normal life, the Cosmic pushes events that pit him directly against Tyrus and the Temple of Kaal. Caught in the middle, between unknown enemies, and the Cosmic desire to balance the corruption of evolution, Kazi must fight to discover the nature of his foes and the demands of his destiny.
