Frances Lincoln. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 6.0in. x 4.4in. x 0.6in. One of a new series of pocket art activity books. Evidence suggests that doodling isn't the result of an idle mind but in fact a keen one as doodling has been proven to increase the attention span. Most doodle books are large desktop type books that don't encourage spontaneity. Doodling should be done in pockets of time - when you are commuting, travelling, waiting for a friend or an appointment. . . and this small format paperback with an elastic closer is the perfect partner for doodling on the go. Many people are scared of drawing and don't know where to start. Pocket Patterns has over 100 pages of prompts - some are graphic shapes, lines and patterns and others are photographs reproduced in greyscale so the user can make them their own and embellish with colour. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
