Review Love this series. -- Christine Hemmi (from GAMELAND Omnibus) The ultimate in undead fiction! -- cerulean socks (from GAMELAND Omnibus) SERIES DESCRIPTION: In the center of Long Island s forbidden wasteland, overseen by a powerful corporation known as Arc Properties, is GAMELAND, a massive virtual reality arcade where the rich and privileged act out their brutal fantasies. Using cybernetic links and holographic setups, Operators pit their Undead Players against each other in a high stakes game of violence, money and power, while the poor are left to watch the horrifying and powerfully addictive contests on State-controlled media streams. Volunteering to become a Player is illegal, but the promise of fame and money can be a powerful lure, despite the ultimate sacrifice. Sometimes, the motivation is a lot simpler: revenge. First published monthly from May through December 2012 in digital format, all episodes and omnibus editions are now also available in print. In addition to individual episodes, multi-episode packages are available in electronic format. Full series completely revised and updated on February 7, 2013 Not recommended for readers under 15.
