Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sally Milner Publishing Pty Ltd. Paperback. Book Condition: new. BRAND NEW, Quilt the Beloved Africa, Jenny Williamson, Pat Parker, The craft of African quilting is a beautifully textured and vibrant art form that bears testimony to the rich and complex nature of the African continent. In this, their third book, doyennes of the discipline Pat Parker and Jenny Williamson delve deeper into what it is that sets this relatively new style quilting apart from the more well-established American and European styles that have dominated quilting circles for hundreds of years. The quilts in "Quilt the Beloved Africa" are a fantastic mix of colourful fabrics that are the key differentiators of the African style of quilting. Another key feature of the local style of quilting is the use of images drawn from its vibrant flora, fauna, and the faces of its people. With a wonderful gallery of quilts followed by thirteen projects, all with easy step-by-step instructions, templates and wonderful colour photographs of the quilts and the inspirations for the quilts, this book will take you on a quilting adventure through Africa like no other. We hope you enjoy your journey through their third African quilting odyssey - a beautiful palette of textures, colours and patterns that continue to make African quilting a joy to behold!.
