Victor Godwin, a serious-minded boy genius living in Philadelphia, discovers that Ben Franklin never died - he was put into suspended animation, and was hidden away for more than 200 years in Victor s basement! An accident re-awakens Ben centuries before he was supposed to be, and there s a problem - when Ben runs low on energy, he turns into a rampaging monster desperately hungry for electricity! All this while Victor is trying to take first place in the school science fair. But with one of history s preeminent scientists helping out, what could go wrong? Victor is one of the funniest nerds in children s literature. - School Library Journal A welcome diversion to pass the hours between scoring science-fair ribbons and exploding . . . home chemistry sets. - Booklist.
