The shouts grew louder on top of ear-splitting sounds of metal and iron banging and scraping. As they rounded the corner of the mine head, Pa gasped at the sight ahead, and Joes heart began to pound like crazy. The miners strike had turned nasty. Instantly, he began to worry. What about Mama and his little sister Would they be safe And what about that new girl from Wales, Moira Did that Company kid, Arnie, have anything to do with this No answers--now. Somehow, they had to walk on. Tensions mount past the breaking point in Ann N. Blacks poignant book for young people, The Miners Cap. Based on true events surrounding the 1914 Ludlow Massacre, it tells of one boys desperate search for hope in the aftermath of the devastation that follows. Joe Mantonio, the thirteen-year-old son of Italian immigrants, works alongside his father in the in the mines near Ludlow, Colorado. When the poorly treated workers decide to strike, the company retaliates by forcing them and their families out of their homes and into tents. After months of strife, the battle culminates in a savage massacreone that sees soldiers who had been hired to protect the workers killing them instead. Joe and his family are caught in the crossfire of this horrific battle that ultimately devastates the entire tent colony. Amidst the wreckage of the aftermath, Joe wants revengebut can he find it without losing himself in the process The Miners Cap is a heartfelt coming-of-age story during a tumultuous time in Americas history.
