*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Xulon Press, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a collection of psalms and poems written by Robyne S. Quigg. The poetry is a reflection of time spent seeking Yeshua (Jesus). A culmination of time spent in prayer and just being in His presence. During these times the words just flow. These poems and psalms are raw and passionate, truly inspirational. The words are meant not only to inspire the reader but to encourage faith as well. They will cause a hunger for more of Him when you read and ponder the words. These writings are unique and vary in tone from intense love and devotion, to adoration and praise, faith and encouragement, and some bold and in your face. They can be used for personal devotions, read aloud in small group discussions or given as an inspirational gift. Robyne S. Quigg lives in a rural setting in North Texas with her Husband and three children. In 2006 she was in a roll-over car accident in which she received a mild-traumatic brain-injury along with severe whiplash and other injuries. The doctors reported she would never recover her full physical and mental capabilities, and insisted she would need help for the rest of her life; but she persisted in saying and believing that Yah-Weh (God) is bigger than brain-damage. After a three and a half year battle, true to His word, she was healed and is now happy to have her life back, as well as the welcome addition of a new baby. She is available for occasional travel and speaking engagements. As always, all praise and glory to Yeshua (Jesus)!!!.
