Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, On Being a Teacher (Revised edition), Jonathan Kozol, Jonathan Kozol, National Book Award-winning author and one of America's foremost writers on social issues, offers a passionate and provocative critique on the role of the teacher in America's public school system. Writing as a teacher, Kozol advocates an approach to education that is infused with ethical values: fairness, truth, and integrity, and a driving compassion for the world beyond the classroom. Kozol not only sheds light on what it means to be a teacher, but gives constructive suggestions on how teachers can work conscientiously within the system to foster these values in concert with parents, students and fellow teachers.
