## THE LAST FIELD OF HONOR: THE CHRONICLES OF COVENT

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Book One of the Elf Wars Trilogy. TWO THOUSAND YEARS the Elf Wars have raged. How long can two nations go on avenging the fallen? Both the Elven kingdoms lay ravaged and destitute. Only the Manarian Codes of War have kept the two societies from the brink of total annihilation. General Ka-ling leads the Elves of Jui-Rae in their struggle against the widely feared Dark Elves of Jui-Sae. His adversary, General Sien, faces him on the last field of honor. Yet secret circles of assassins meddle in the northern affairs, leaving behind brutal murders in the deeps woods which threaten to usher in a new age of cold-blooded genocide. In the south under the twisted warped trees of the Ashwood, a far blacker war rages. Sadora, Shadowlord over all Unseen, makes a brutal advance into Jui-Rae burning villages and slaughtering thousands of innocents. The fabled Fata morgana, the legendary Elven assassins of old return, taking the faces of their enemies and throwing the battles into further bloody turmoil. Secret allegiances are formed and the dirtiest of units are called up, from the scoundrels of the Unseen City of Kadosha, to the Horsearchers of Glorindel, from the fiendish Ogre King, to immoral human mercenaries from the west. This is a tale of blood and bitter endless war. It is a downward spiral of vengeance of generations upon generations tired of burying their sons. It is civilization teetering on its sharpest edge and the flames of unending anger that threaten to wipe Elves, both light and dark, off the face of Covent forever.
