Y. 20.00 The use of concrete burial vaults during the last few years has increased at an astonishing rate, reflecting a demand caused in part by the general development of the Concrete Industry--a demand for concrete products of all kinds. Then there has never been a period during which the undertaking profession has made so great progress in all departments as in the last ten years; consequently a much higher grade of funeral furnishings of all kinds are being used now than ever before, and therefore there has been an increased demand for a higher state of perfection in burial vaults. Then again the public in general are being educated out of the old-time method of burying with only an ordinary wooden box to protect the remains; and along with this education has come a spirit of investigation as to what kind of burial vault is best, the result of all this being that the concrete vault is more in demand than any other. Ideal Concrete Construction Co., 455 Rowell avenue, Joliet, 11l., operate Ideal and Besser block machines and tampers, Ideal burial vault molds, Blystone and Ideal mixers. Interested in molds for making vases, fence posts and flower boxes, also transfer cars. Parmenter Mfg. Co., Columbus, Kansas, a new organization, advise us they expect to manufacture everything that is practical in the line of concrete products....
