Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from John Stuart Mill: His Life and Works A second edition of the Examiner of May the 17th having been exhausted in the course of a few days, it seemed better, instead of again reprinting the whole number, to extract from it the articles upon Mr. Mill that it contained, and to issue them, with a few additions and corrections, in a form more convenient for preservation. The alterations in the collection as it is here given, however, have intentionally been slight. Mr. E. B. de Fonblanque having lent me a number of very interesting letters addressed to his uncle, Mr. Albany Fonblanque, by Mr. Mill, I have made from them a few extracts which throw very welcome light upon his disposition and conduct during the earlier period of his public life; and Mr. Levy has inserted some paragraphs in his account of Mr. Mill s philosophical writings. For the rest, the papers have been left almost exactly as they were first written. No expansion or re-writing, compatible with the purpose of the present publication, would, of course, have rendered it in any way a sufficient exposition of Mr. Mill s life and work; and we considered it better to keep the collection as nearly as possible in its original shape. Written, with only three exceptions, by Mr. Mill s personal friends, and written when our grief at his loss - a grief that cannot easily be lessened - was freshest, these articles were primarily and almost exclusively designed as a loving tribute to his great worth as a thinker and teacher, and his yet greater worth as a man.
