Charma Clark is working her way to getting her G. E. D and eventually her degree in Physical Therapy, by stripping at the local strip club. Walter Madison comes in one day to treat his out of town clients. Charma working as Chiffon asks Walter if he would like a private dance. He accepts rather meekly like a teenage boy on his first date. Walter falls under Charma's spell and this is when his life begins to unravel. First his work suffers and then his marriage falls apart. Charma is on his mind almost every moment of every day. And then one summer day Charma goes missing and after a few days Charma's mother calls Mayfield Police and they start by issuing a missing persons case, but in the end it is more than that. In the end it is murder, denial and deceit This item ships from La Vergne, TN. Paperback.
