CLOSING THE GAP: MEASURING THE SOCIAL IDENTITY OF TERRORISTS

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Studies of terrorism today focus on psychological and behavioral aspects of individuals. Most research shows that using a single model in an attempt to profile terrorists psychologically is problematic, if not impossible. However, using two well-established theories from social psychology, Social Identity Theory and Social Distance Theory, allows the development of a practical model to develop a social...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
