Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

ROLL OVER PLAY DEAD: THE SEARCH BEGINS

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.With the acrid smell of cordite in the air and about to be overrun by the advancing German Army in WWII, a physically challenged young man, not yet 16 years old, flees his small rural village in Russia. He carries only a knapsack containing two ancient Icons and other treasure-the entire wealth of the community. The book describes the commitment of a young man who leaves on a perilous journey of discovery obeying the wishes of his grandfather and the needs of his village. It covers the hardships he encounters leaving those he loves not knowing if he will ever see them again. He is accompanied by a four-legged fellow traveler. They struggle across Siberia and the North Pacific to reach one of the most rugged and beautiful areas in North America. They are to end their perilous journey at a small Alaskan village on Lake Iliamna. Protecting the precious treasure, they will stay there until the war ends and they return home. But fate, waiting just around the corner, interrupts their journey. When the young man does not return home to his Russian Village, he is suspected of running off with the village's wealth. Only his father, his best friend and the girl, he has known and loved all his life, have faith in him and cling to the hope that he is still alive. Seventeen years later, an engineer and a marine biologist, involved in a research project for the US Navy, make an interesting discovery while SCUBA diving in Lake Iliamna. The towed sonar they are testing picks up a ghost image of a sunken wreck. When they realize what the image might be,...
